

"...meeting community needs...enhancing quality of life."

Application for Citizens Academy

To encourage more civic involvement through a basic understanding of City services, we are offering a free Citizens Academy.

The Academy is an eight-week program that provides up to thirty participants with an interactive learning experience about City services, programs and responsibilities.

Through the sessions with various City Departments, the participants learn about the challenges to city government, budget limitations, day-to-day operations and mandates.

Please note, submitting this application does not automatically enroll you in the Citizens Academy class. You will be notified via email of acceptance. If more than 30 applications are received, a waiting list for the following year will be created.

If you have questions, please contact Communications Coordinator Chad Doran at (920) 832-5814 or chad.doran@appleton.org
