## IMPORTANT PRESIDENTIAL ELECTION INFO

The Presidential Election will be held on Tuesday, November 8, 2016. Here are important dates to keep in mind for this election:

- Wednesday, October 19 - last day to register to vote by mail
- Monday, October 24 - first day to early vote an absentee ballot in the Clerk's Office
- Thursday, November 3 - last day to request an absentee ballot by mail
- Friday, November 4 - last day to register to vote prior to the General Election in the Clerk's Office AND last day of early voting in the Clerk's Office

Photo ID is required for all voters wishing to vote in-person or by absentee ballot. Voters appearing in-person to vote will be required to present a valid photo ID before receiving a ballot. Those wishing to vote absentee by mail will be required to furnish a copy of their ID to the Clerk's Office before their ballot will be mailed to them. For a list of acceptable photo IDs and other information related to Wisconsin's Voter ID please visit [www.bringit.wi.gov](http://www.bringit.wi.gov) or contact the Appleton Clerk's Office at 920-832-6443.

To reduce time spent waiting in line on Election Day, please register to vote before heading to the polls. This can be done by mail until October 19 or in person at the City Clerk's Office. Wisconsin has a 28-day residency requirement and you are required to show proof of residence in order to register. Acceptable proof of residence documents can be found on the second page of the Voter Registration form found under City Clerk, Elections on the City website. Not sure if you are registered to vote? Visit [www.myvote.wi.gov](http://www.myvote.wi.gov) to check your voter registration status, voting history, and where you vote.

Another helpful hint for a smooth trip to the polls on Election Day is to know what Ward you reside in. Please visit [www.appleton.org](http://www.appleton.org) and click on the My Property Info button at the bottom right of your screen to view your property information which includes your Ward and polling place for voting. Knowing your Ward is important because you'll need to get in the proper Ward line at the polling place in order to be recorded in the poll book and receiving your ballot.

For any other questions regarding elections and voting please contact the City Clerk's Office at 920-832-6443 or [electionclerk@appleton.org](mailto:electionclerk@appleton.org).

## THINK OUTSIDE THE CAR

Valley Transit is a safe, cost efficient and easy way to travel the Fox Valley!

Don't forget, AASD middle school and high school students (public and parochial) and FVTC degree program students can ride free with their student IDs. Rides paid for by AASD & FVTC. AASD student ID rides only valid during school year.

For more information, call us at 920-832-5800 or visit our website [www.myvalleytransit.com](http://www.myvalleytransit.com).

## HOW OLD ARE YOUR SMOKE ALARMS?

The theme for this year's fire prevention week is: "Don't Wait: Check the Date! Replace Smoke Alarms Every 10 Years".

Smoke alarms older than 10 years put people at an increased risk in the event of a home fire.

According to an NFPA report, in one-fifth of all U.S. homes with smoke alarms, the smoke alarms aren't working; three out of five home fire deaths result from fires in properties without smoke alarms or with no working smoke alarms.

If your smoke alarms are greater than 10 years old, replace them with alarms that have 10 year non-removable, lithium batteries. With these alarms, you never have to replace the battery. After 10 years, or when they chirp indicating they have reached their end of life, you simply replace the entire alarm.

Each home should have a working smoke alarm on each floor and in each bedroom. Give the gift of love, install a smoke alarm today. For more information on this year's Fire Prevention Week campaign, visit [www.firepreventionweek.org](http://www.firepreventionweek.org).

## VACCINATION INFORMATION

Protecting your family against preventable communicable diseases begins with fully vaccinated children. Appleton residents who have no insurance or are on Medical Assistance (Badger Care) are encouraged to call 920-832-6429 to schedule an appointment. Immunization clinics for children and adults are held the first, third and fourth Tuesday, Wednesday and Thursday of the month. Tuesday clinics are from 8-9 A.M. Wednesday and Thursday clinics are from 3-4 P.M. Interpreter assisted clinics are also offered the second Wednesday of every month from 3-4:45 P.M. If you have private insurance coverage, per State guidelines, please contact your primary care provider for immunizations. Children under 18 years of age must be with a parent or guardian. Please bring your child's immunization record with you when you come to the clinic. A \$5 donation is requested; however, no one is refused service if unable to donate.

## GARBAGE

• **GARBAGE PICK UP** is done weekly from City-supplied garbage carts.

- ▶ Place your City garbage cart out for pick up the night before your scheduled day (between 5 P.M. and 3 A.M.).
- ▶ The handle of the garbage cart should face your house.
- ▶ Place your cart at least 5 feet from other objects on the terrace such as other garbage or recycling carts, mailboxes, trees, etc. Garbage trucks need this space for the truck arms to grab the cart.
- ▶ Do not park vehicles in front of or near carts.
- ▶ Never place a cart in the road. This is always a safety concern and in winter does not allow plows to clear snow close to the curb. When there are snow banks, place the cart in your driveway apron opening or clear an area on your terrace to allow crews access to your cart. Do not place carts on snow banks.
- ▶ Any bags that cause the lid not to close on City garbage carts are considered to be extra garbage. (See the next section for details.)
- ▶ Return your cart to its storage area by midnight the day of pick up.
- ▶ Please use plastic bags for items inside City garbage carts.
- ▶ Check [www.appleton.org](http://www.appleton.org) "My Property Info" for garbage and recycling pickup days specific to your address.

If your garbage cart is too small, too large or needs repair, the property owner should call 920-832-5580.

• **EXTRA GARBAGE BAGS**—Because garbage cart charges are based on volume, bagged garbage or trash that doesn't fit in your cart must be marked with a disposal sticker. Bags should weigh less than 45 pounds.

- ▶ Unlimited bags of extra household garbage are picked up each week with a \$4 per bag disposal sticker.
- ▶ **Put extra bags approximately 5 feet from garbage carts.**
- ▶ The disposal sticker should be attached to bags and be visible to drivers.

• **APPLIANCE TAGS, GRASS PUNCH TICKETS and DISPOSAL STICKERS** are available at the following locations:

All Appleton Fire Stations

#1-700 N. Drews St.

#2-1801 S. Matthias St.

#3-801 W. Grove St.

## FREE LARGE ITEM PICKUP IS BI-WEEKLY

Large item pickup is every other week on your regular garbage day opposite your recycling week at no charge.

(This does not include extra bags of garbage.)

• **FREE LARGE ITEMS** that are too large to fit into City-supplied garbage carts include such things as:

- ▶ Chairs, couches, mattresses, carpet (tie and bundle, no longer than 4 feet, not to exceed 45 lbs.), lumber (pound nails in or remove, tie and bundle, no longer than 4 feet, not to exceed 45 lbs.), furniture, bikes, lawnmowers (gas/oil removed), grills (propane tanks removed), toilets, etc.
- ▶ Appliances, garbage bags and tires require a prepaid disposal sticker.
- ▶ When placing these items out for pick up, the items should be placed approximately 5 feet away from the automated cart and not lean against it.
- ▶ **Items NOT picked up:** boxes (recyclables), garbage bags (without stickers), hazardous waste, yard waste, concrete, shingles and electronics (see Electronics section below).

Recycling is picked up according to the usual schedule and is not part of this collection. One truck will come for the City-supplied garbage carts and another truck for the large items. Visit [www.appleton.org](http://www.appleton.org) "My Property" for garbage and recycling pick up days specific to your address.

• **MAJOR APPLIANCES** require a disposal tag. **Pick up is on or after your garbage day.**

- ▶ **Tags for Freon appliances are \$25 and are needed for:** refrigerators and freezers (remove doors), air conditioners and dehumidifiers.
- ▶ **Tags for non-Freon appliances are \$20 and are needed for:** stoves, ovens, dishwashers, washing machines, clothes dryers, furnaces, water heaters, microwave ovens and other major appliances.

The disposal charge is reduced when appliances are brought to the Public Works Customer Service Center located at the Yard Waste Site. See Yard Waste Site information on page 10 for drop-off fee information.

• **ELECTRONICS**—The following electronics **must** be recycled and will **not** be picked up with regular garbage per Wisconsin state law: computers, monitors, TVs, laptops, printers, copiers, fax machines, DVD and VCR players, other video display devices, keyboards and mice, speakers and cell phones.

Many electronic items contain harmful materials including lead, mercury, cadmium, chromium, other heavy metals and chemical flame retardants that can leak into the environment where they can affect human and environmental health. Many of these electronic items also contain valuable reusable materials. For a list of E-Waste collectors and recyclers visit the Wisconsin DNR website at <http://dnr.wi.gov/topic/ecycle/>.

## CITY ITEMS AUCTIONED ON INTERNET

The City of Appleton offers used and surplus equipment on eBay.

To bid or watch City items, visit

[www.appleton.org](http://www.appleton.org), under "Online Services", click on "Surplus City Items".

• **SPECIAL GARBAGE PICK UP** - If you are moving or just cleaning out, you may request a special pickup for \$75. Call 920-832-5580 for details.

• **FLUORESCENT BULBS**—All fluorescent bulbs, including compact fluorescent bulbs (CFLs), contain small amounts of mercury. Tube type fluorescent bulbs and CFLs may be brought to Outagamie County Recycling & Solid Waste for a fee. For more information visit [www.RecycleMoreOutagamie.org](http://www.RecycleMoreOutagamie.org).

• **TIRES** are picked up curbside on your regular garbage day.

**A prepaid disposal tag is required.**

- ▶ Tire tags cost \$5 each.
- ▶ There is a limit of 4 tires per household.
- ▶ Tires can also be brought to the Glendale Avenue Yard Waste Site. Fees and limits apply.

## 2016 YARD SITE FREE TIRE WEEKEND

Friday, September 16  
Saturday, September 17  
Sunday, September 18  
Monday, September 19

Tires can be brought to the Glendale or Whitman yard sites at no charge on the dates listed above. Tire size of 18" or less and 4 tires per household will be accepted (rims included).

• **CARPET** is picked up curbside on your regular garbage day during free large item weeks.

- ▶ Cut carpet into 4-foot strips and roll up.
- ▶ Rolls should weigh less than 45 pounds.
- ▶ Tie or tape rolls.

**Carpeting removed by a contractor should be disposed of by the contractor.**

If you are unable to meet the restrictions for placing items curbside, they can be taken to Outagamie County Recycling & Solid Waste or the Glendale Yard Waste Site (see page 10 for fee information).

• **LUMBER** is picked up curbside on your regular garbage day during free large item weeks.

- ▶ Cut lumber into 4-foot lengths.
- ▶ Bundle items to weigh less than 45 pounds.
- ▶ Pound in or remove any nails or large staples.

If you are unable to meet the restrictions for placing items curbside, they can be taken to Outagamie County Recycling & Solid Waste, the Glendale Yard Waste Site (see page 10 for fee information) or Landfill Reduction and Recycling, Inc. at 3001 E. Glendale Avenue (visit [www.landfillreduction.com](http://www.landfillreduction.com) for more information).

• **CONSTRUCTION MATERIALS** generated by a contractor should be disposed of by the contractor. Work done by the homeowner may be set out curbside in compliance with specifications for large item materials (see page 6). If you are unable to meet the restrictions for placing items curbside, they can be taken to Outagamie County Recycling & Solid Waste, the Glendale Yard Waste Site (see page 10 for fee information) or Landfill Reduction and Recycling, Inc., 3001 E. Glendale Avenue (visit [www.landfillreduction.com](http://www.landfillreduction.com) for more information).

• **GRASS CLIPPINGS** are **not** picked up curbside. They may be taken to the Glendale Avenue or the Whitman Avenue drop-off site. Drop-off fees are \$4 per bag or \$40 per punch card.

• **HOUSEHOLD HAZARDOUS WASTE**—Some wastes are just too hazardous for landfills and require special disposal through the Outagamie County "Household Hazardous Waste Collection". Hazardous wastes include: pesticides, herbicides, poisons, acid, lead- and oil-based paints, automotive and rechargeable batteries, mercury and some cleaning materials. This program is limited to households only and is held on select dates May through October. For dates, times or to schedule an appointment, call 920-832-5277 or visit [www.RecycleMoreOutagamie.org](http://www.RecycleMoreOutagamie.org). If you are unable to attend, you may take your hazardous waste directly to the Brown County Hazardous Waste Facility free of charge. Visit [www.BrownCountyRecycling.org](http://www.BrownCountyRecycling.org) or call 920-492-4950.

• **PAINT**—To dispose of latex paint, please consider giving usable paint to friends, neighbors, theater groups or housing assistance organizations. If you must dispose of **latex** paint, please follow these directions:

- **For small amounts:** Remove the lid and let dry in the can. Occasionally stir the paint.
- **For larger amounts:** Line a cardboard box with a plastic trash bag. Layer an absorbent material (kitty litter, sawdust, shredded newspaper) on bottom, pour a layer of paint and repeat as necessary. Once the paint is dry, dispose of the entire trash bag and dry empty paint cans in your regular trash. Any **oil- or lead-based paints** should be taken to a hazardous waste collection.

• **WASTE OIL, FILTERS AND ABSORBENTS**—These items must be recycled. Visit [www.RecycleMoreOutagamie.org](http://www.RecycleMoreOutagamie.org) or call Outagamie County Recycling & Solid Waste at 920-832-5277.

• **MEDICAL SHARPS DISPOSAL**

To reduce public health risks such as accidental needle sticks, Wisconsin law requires all citizens to safely manage needles, lancets and syringes. It is illegal to put sharps in the trash or with recyclables. Used and unused sharps must be placed in an acceptable sharps container and taken to a registered collection facility such as Thedacare Regional Medical Center—Appleton or St. Elizabeth Hospital emergency rooms, Consumer Prescription Center, Pick 'n Save #8118 or #8123, Shopko Express Pharmacy or Mosaic Family Health. **NEVER put sharps in the trash or with recyclables!** Visit Outagamie County Public Health at [www.outagamie.org](http://www.outagamie.org). See DNR list for more locations in the Appleton and surrounding areas.

• **PRESCRIPTION DRUGS & OTHER MEDICINES** may be disposed of at the Appleton Police Department lobby at 222 S. Walnut Street. Please empty all pills into a sandwich sized, sealable bag. Keep all liquids, creams and powders in original containers. Visit [www.RecycleMoreOutagamie.org](http://www.RecycleMoreOutagamie.org) for more information.

## NEW WATER METER INSTALLATION

The Department of Public Works will be installing new water meters throughout the city over the next few years.

More information can be found at [www.appleton.org/watermeterinfo](http://www.appleton.org/watermeterinfo).

## RECYCLING

Recycling is picked up every other week on the day of your regular garbage collection. The map shows regular pickup days and designates recycling Areas #1 and #2. If your recycling day falls on a holiday, the pickup schedule will slide one day, so please check the Holiday Garbage & Recycling Pick Up Schedule on page 9 for specific dates.

**Recycling pick up will occur on the weeks shown below:**

### AREA #1

Sept 5-9	Dec 12-16
Sept 19-23	Dec 26-30
Oct 3-7	Jan 9-13
Oct 17-21	Jan 23-27

Nov 7-11	Feb 13-17
Nov 21-25	Feb 27-Mar 3
Dec 5-9	Mar 13-17

Visit [www.appleton.org](http://www.appleton.org) "My Property Info" for garbage or recycling pickup days specific to your address.

**For recycling pick up concerns**, please contact Inland Service Corporation at 920-759-0501.

**For recycling questions and information**, please contact Outagamie County Recycling & Solid Waste at 920-832-5277, visit [www.RecycleMoreOutagamie.org](http://www.RecycleMoreOutagamie.org) or email [recycle@outagamie.org](mailto:recycle@outagamie.org).

### AMERICAN FLAG DISPOSAL

As American flags become worn or damaged, it becomes important for their disposal to be proper and dignified. The City of Appleton has placed a container at the Glendale Yard Site and all six fire station locations for residents to drop off unserviceable flags free of charge. The City of Appleton will deliver the unserviceable flags to the American Legion for proper disposal.

### TREE FOR A TREE

To participate in Appleton's annual "Tree for a Tree" program, please bring Christmas trees to the Glendale Yard Waste Site (2625 E. Glendale Avenue) during open hours within the following scheduled weeks:

**January 6 – January 23, 2017**  
**Friday, Saturday, Sunday and Monday**  
**9:00 A.M. – 4:45 P.M.**

Participation is limited to residents of the city of Appleton. One coupon, redeemable in spring for a white spruce seedling, will be issued for each tree brought to the site. There is no limit. Exchange dates will be announced in the Spring/Summer Appleton City Guide and through general press release.

### CITY COMPOST PROJECT

The City of Appleton is producing compost from what were previously considered to be city waste products. These ingredients include: leaves, brush and biosolids from the Appleton Wastewater Treatment Plant (AWWTP). Over time the composting process converts these ingredients into a stabilized, nutrient rich material. The compost has been certified by the United States Composting Council's Seal of Testing Assurance program.

For more information on residential giveaways and program promotions, please call 920-832-5945 or visit the compost webpage on the AWWTP departmental link at [www.appleton.org](http://www.appleton.org).

## RECYCLE! IN WISCONSIN IT'S THE LAW

Outagamie County Recycling & Solid Waste contracts with a private hauler to provide curbside collection for households within the county, including all of Appleton.

Recycling is picked up every other week on your regular garbage day. All items should be placed inside the City-supplied recycling cart for automated curbside pick-up according to the schedule on page 8.

**Recyclable items include:** soda, water and other drink bottles; food and household bottles, jars and jugs; dairy containers and lids; produce, bakery and deli containers; newspaper and inserts; cardboard, cereal and cracker boxes; junk mail, office paper, phonebooks, books, magazines and catalogs; milk, juice and soup type cartons; aluminum bottles and cans; steel, tin and bi-metal cans; empty aerosol cans; food and beverage glass bottles and jars.

**DO NOT RECYCLE:** plastic bags, wrap or film (take to a local store drop-off); motor oil bottles; Styrofoam™; paper contaminated by food or grease; tissue; gift wrap; aluminum pans/foil (take to a local scrap metal dealer); ceramics, dishes or windows; empty paint cans.

### How to place recycling at the curb:

- Empty and rinse all bottles and containers. Remove and discard all screw caps.
- Place all recyclable materials in the provided cart.
- **Do not** place recyclables in plastic bags and **do not** place garbage in your recycling bin.
- Cardboard boxes should be flattened and cut to no longer than 2'x2' pieces.
- Because garbage and recycling are picked up by separate trucks, please keep your recycling cart 5 feet away from obstructions such as your garbage cart, mailbox, utility poles, trees and parked cars. If possible, put garbage and recycling on opposite sides of the driveway.
- Be sure to have recyclables curbside the night BEFORE your pick-up day (pick-up begins at 4:30 A.M.).
- All recyclables must fit into your cart with the lid closed. For extra recyclables, you may:
  - Save for a future pick up day;
  - Ask a neighbor if they have extra room in their cart;
  - Bring to the County drop off site located at 1919 Holland Road (920-832-5277), Monday through Friday, 7:00 A.M. to 3:30 P.M. and Saturdays, 7:00 A.M. to 11:00 A.M.

## CHRISTMAS TREE COLLECTION

Trees will be collected curbside on the regular garbage day during the week of **January 9-13, 2017**. In case of bad weather, crews may be needed for snow and ice control. Collection of trees will then be extended into the following week as needed, until skipped areas have been collected (if your tree becomes buried with snow, please assist operations by clearing it of snow). After that, trees must be brought to the Public Works yard waste drop-off site located at 2625 E. Glendale Avenue (open Friday, Saturday, Sunday and Monday from 9:00 A.M. to 4:45 P.M.), or removed from the curb until the brush collection in spring. Please **remove plastic tree bags**.

## HOLIDAY PICK UP SCHEDULE RESIDENTIAL GARBAGE & RECYCLING

Your **Holiday Recycling** pick up may not be on the same day as **Holiday Garbage** pick up. For dates not listed below, please follow the regular (non-holiday) schedule on page 8. NOTE: Holiday pickup times may be earlier or later than your normal time.

You can find seasonal information, yard waste site information, general overflow and other collections information by calling the Public Works information line at 920-832-5998.

## WINTER SNOW GUIDELINES

Winter will soon be upon us. To help make your travels safe, we offer the following guidelines:

- Because snowplows can generate flying snow and salt, please **stay back 50 feet, be patient and don't pass a plow on the right side.**
- Please **do not park vehicles on the street** following a snowfall. Plows cannot get close to the curb, causing extra plowing which costs additional tax dollars. Cars parked on the street between 2 A.M. and 5 A.M. may be ticketed and towed.
- Please **do not park in driving lanes** if snow is blocking the parking lane.
- Please **do not park your vehicle at the end of your driveway** in a way that would impede the City plow.
- Please **do not place garbage/recycling carts on snow banks or in the road.** Place carts in driveway openings.
- Please provide safe sidewalks for pedestrians. The owner or occupant of property immediately adjacent to a public sidewalk is responsible for the snow/ice removal no later than 36 hours following the end of the snowfall.
- Please **do not blow, plow or throw snow onto any City street or sidewalk.** Snow blown, plowed or shoveled onto any city right-of-way is subject to a citation.
- The City does not have the resources to provide snow removal from private sidewalks or driveway approaches. If you need assistance with snow removal, we suggest contacting a relative, friend, neighbor or hiring a contractor to remove the snow for you.
- Crews will, when feasible, apply the following standard when plowing snow in cul-de-sacs: one full pass will be made around the perimeter, pushing the snow to the middle of the cul-de-sac and as time allows, the snow will be hauled out of the center.
- Please **keep the catch basin adjacent to your property free from ice and snow** to help prevent flooding.
- Please adopt **one of the City's 3,300 fire hydrants this winter by keeping it clear of snow.**

Questions about **snow and ice operations**, please call the Public Works Operations Division at 920-832-5580.

Questions about **unshoveled sidewalks**, please call Public Works at 920-832-6474.

## DISPOSING OF MERCURY

Exposure to releases of mercury into the environment has been negatively linked to human and wildlife health impacts. Mercury should **never** be poured down a drain or sewer, flushed down a toilet or thrown in the trash. Items containing mercury (e.g., thermometers and thermostats) should be taken to a hazardous waste collection for proper disposal.

For disposal of household mercury containing devices, such as old thermostats or thermometers, contact Outagamie County Recycling & Solid Waste at 920-832-5277. For more information on mercury and ways the City of Appleton is working to reduce mercury in the Fox River, please visit the Department of Utilities page at [www.appleton.org](http://www.appleton.org).

## 2016 FALL LEAF PICKUP SCHEDULE

Leaf and yard waste pick-ups are done at 2-week intervals from **October 10 through November 18** (dates are noted on the map to the right).

Rake leaves and small yard and garden debris into the gutter or to the edge of the pavement on the **Sunday night prior to your pick up week**. **Zone 1** begins Sunday, October 9 and then every other Sunday through November 6. **Zone 2** begins Sunday, October 16 and then every other Sunday through November 13. Branches and brush may also be placed into the gutter at this time. Branches and brush must be cut down to 4' lengths and bundled with biodegradable twine not to exceed 45 pounds. **Yard waste may be in lawn and leaf paper bags or tied in bundles. No containers will be collected. DO NOT RAKE LEAVES OR PLACE YARD WASTE INTO THE GUTTER AT ANY OTHER TIME.**

Please keep piles low so that children are not hidden from motorists' view and close to the curb so as not to interfere with traffic. During fall pick up, City crews will collect leaves and yard waste from the street gutter only.

Leaves on the following streets will be pushed into piles on side streets as often as possible, but due to heavy traffic, residents are encouraged to transport leaves to the yard waste sites rather than raking them into the gutter. The Whitman site is open through November 21 on Friday, Saturday, Sunday and Monday. The Glendale Yard Site is open year-round on Friday, Saturday, Sunday and Monday.

<b>Ballard Rd.</b>	<b>College Ave.</b>
<b>Calumet St.</b>	<b>Wisconsin Ave.</b>
<b>Meade St.</b>	<b>Richmond St./Memorial Dr.</b>
<b>Newberry St.</b>	<b>Mason St. (north of Prospect Ave.)</b>
<b>Oneida St.</b>	<b>Lawe St. (College Ave.-Wisconsin Ave.)</b>

**If weather permits**, there will be one additional non-scheduled pass through the city starting November 21. Snow may prevent us from doing this additional leaf collection. **If weather prevents the City from completing the leaf and yard waste pick up after your final collection week, residents are responsible for leaf and yard waste disposal. No additional special pick-ups will be scheduled.**

Because it is crucial to our leaf pick up operations to be able to work during the night, **starting October 9 the Police Department will not grant permission for overnight parking all week in the zone scheduled for collection.** Vehicles that are illegally parked overnight (between 2 A.M. and 5 A.M.) will be subject to ticketing and towing. Thank you for your cooperation.

Visit [www.appleton.org](http://www.appleton.org) "My Property Info" for leaf pick up weeks specific to your address.

## OVERNIGHT PARKING

Why does the City of Appleton not allow overnight parking on city streets? The reasons range from operational benefits for the Department of Public Works and Police, to aesthetic reasons. The City performs various operations that occur at night (i.e., garbage/recycle pickup, street sweeping, leaf pickup and snow plowing), all of which are accomplished better and more efficiently without vehicles parked on the street. In addition, the police may note a vehicle parked on a street when responding to a call and use that information when investigating a crime. The restriction also keeps neighborhoods looking cleaner.

If an emergency arises, such as a mechanical breakdown, home or street construction or extra guest vehicles, the police can give short-term permission to park overnight on a street. To avoid a citation, the Police Department must be notified the day or evening needed. Even with permission from the Police Department there are some restrictions and guidelines:

- ▶ The vehicle must be parked in a legal parking spot. Permission will not be granted to park in a restricted area.
- ▶ If parked on the street during garbage/recycle pick-up days, please provide adequate room for the trucks to reach the carts.
- ▶ If parked during the daytime, be considerate of the postal workers and do not park near mail boxes located curbside.

We are very proud of the way Appleton is a clean and safe place to live. Please help us to maintain these standards.

## NEIGHBORHOOD PROGRAM

The Neighborhood Program was developed to build bonds and foster communication between City Hall and Appleton neighborhoods. Fifteen neighborhoods have registered thus far. Register today and begin making a positive change in your neighborhood. Benefits of registering include:

- Map and demographic information of your neighborhood;
- Connect with neighbors and local businesses in your neighborhood;
- Receive information on city events, workshops and other valuable educational opportunities;
- Notification from developers interested in obtaining neighborhood input on projects;
- Eligibility for neighborhood grants.\*

*\*Now accepting applications for the Neighborhood Grant Program. Availability is contingent upon funding and location within the City.*

For more information, please visit the Community and Economic Development Department's web page at [www.appleton.org/residents/neighborhood-program](http://www.appleton.org/residents/neighborhood-program) or call 920-832-6468.

## HOMEOWNER REHAB LOAN PROGRAM

The City's Community and Economic Development Department operates a deferred repayment loan program for low- to moderate-income homeowners (e.g., family of four with income less than \$59,050/year) that need improvements done to their homes.

Applications from eligible households will be accepted **September 19, 2016 through October 28, 2016**. Applications will be available during this period only.

Applications can be found on the website, on the first floor of City Hall across from the Cashiers, or on the fifth floor of City Hall at the Customer Service area. Additional program and qualifying information is available on the website: [www.appleton.org](http://www.appleton.org) (go to the Department of Community and Economic Development and click on "Housing Rehab Loan"). For more information, please call 920-832-6468.

## WATER HYDRANT FLUSHING

The Public Works Operations Division has scheduled hydrant flushing weekdays between 6:30 A.M. and 4:30 P.M.

If you see crews working in your area, please try to use as little, or if possible, no water for an hour. If you find discoloration in your system, stop using the water, wait about an hour, and then draw off the discolored water through a cold-water tap only.

## CALLING THE POLICE?

We often hear, after-the-fact, about issues occurring in the city. When we ask if the incident was reported, we often hear "No". We work 24/7/365 so calling us gets a response. We may be right around the corner or we may be extremely busy, but no matter, we will respond. Our non-emergency number is 920-832-5500. For emergencies always dial 911.

## 2017 BUDGET

Copies of the 2017 Budget will be available for review by the public on October 6 in the Customer Service area on the 6<sup>th</sup> floor of City Hall and at the Public Library. The entire budget document will also be posted on the Finance Department's web page: [www.appleton.org/government/finance/budget](http://www.appleton.org/government/finance/budget).

Finance Committee review is scheduled for Saturday, October 29, with a public hearing on Wednesday evening, November 2. Budget adoption will be on Wednesday evening, November 9 and will include a public participation period.

Please take the opportunity to review the budget when it becomes available and to contact your alderperson, City staff, or the Mayor with any questions or comments.

## PROPERTY TAX PAYMENTS

Tax bills will be sent in mid-December for the 2016 tax year. For your convenience, taxes can be paid by the following methods:

- **U.S. Mail:** P.O. Box 2519, Appleton, WI 54912-2519
- **Night Deposit Box or Lobby Deposit Box:** located at 100 N. Appleton Street.
- **Drive-up Window or Lobby:** 100 N. Appleton Street, Mon.-Fri., 8 A.M.-4:30 P.M.
- **Credit Card:** visit the City's website at [www.appleton.org](http://www.appleton.org) for a link to Credit Card payment information.

**The Finance Department will be closed the following days: Friday, December 23 and Monday, January 2.** If you wish to have your payment credited to 2016 for income tax purposes, your payment must be postmarked, delivered to our office or deposit boxes on or before December 31, 2016.

**The 1<sup>st</sup> installment of your tax payment is due January 31, 2017. Installment dates for the 2<sup>nd</sup>, 3<sup>rd</sup> and 4<sup>th</sup> payments are March 31, May 31 and July 31. For tax payment questions, please call 920-832-6442.**

## SOLVING SEWER BACK UP PROBLEMS

A common problem in older areas of cities and towns is the intrusion of tree roots into, or breaks in, the sanitary sewer laterals. Roots or breaks often create blockages which prevent the passage of wastewater from your building to the sanitary main in the street.

There are several ways to help correct the problem. You may choose to attempt to open the blockage yourself with a sewer cleaning machine or hire a professional sewer cleaner. Many sewer cleaners have equipment that allows them to televise your lateral and see where the problem is, as well as the condition of the rest of your lateral. A recording can be made for future reference if additional repairs are needed. Often times, this is enough to resolve the problem.

In cases of recurring blockages, you may want to go a step further and fix the problem. There are several ways of fixing the problem ranging from doing spot repairs to replacing most, if not all, of the affected lateral with new piping.

Each case is unique, and not all methods will be best or work in all cases, so it is suggested to check around and get a few ideas and estimates before proceeding.

# KIDSTAGE®

KidStage® kids will work on developing self-confidence and building stage presence through a variety of acting exercises and drama activities with the goal of getting each KidStage® kid to be loud and proud in a KidStage® Showcase.

Participants will be divided into groups based on age and skill level. At the end of each session a showcase is held at Jane Bergstrom Theatre at St. Mary Central High School. Dress rehearsals will be held on an alternate date of normal class time. Dates listed are class dates, showcase dates will be the Saturday or Sunday following the session end date. Details of the dress rehearsals and showcase dates and times will be provided by week 5 of the session.

**LOCATION:** Appleton Public Library – Room C

**FEE:** \$80/participant

KIDSTAGE®	AGES	DATES	DAY	TIME	CLASS #
Fall Session	4-12	September 26-November 28	Monday	6:00-7:00 p.m.	412322-01
Winter Session	4-12	January 9-March 13	Monday	6:00-7:00 p.m.	112322-01
Spring Session	4-12	April 3-June 5	Monday	6:00-7:00 p.m.	212322-01

**Fall Session Show – WILLY WONKA AND THE CHOCOLATE FACTORY®** The last of the five coveted “golden tickets” falls into the hands of a sweet but very poor boy. He and his grandpa then get a tour of the strangest chocolate factory in the world. The owner leads five young winners on a thrilling and often dangerous tour of his factory. KidStage will need talented kids in all roles from Willy Wonka to Oompa Loompa’s! At the end of the session a showcase will be held at the Jane Bergstrom Theatre at St. Mary Central High School, December 3 & 4.

**Winter Session Show – THE LION KING®** This Disney musical follows the adventure of the young lion Simba, the heir of his father, Mufasa. Simba’s wicked uncle, Scar, plots to usurp Mufasa’s throne by luring father and son into a stampede of wildebeests. But Simba escapes, and only Mufasa is killed. Simba returns as an adult to take back his homeland from Scar with the help of his friends Timon and Pumbaa. Join KidsStage and sing dance to the classics of this record breaking musical! Showcase time TBD.

**Spring Session Show – THE WIZARD OF OZ®** When a tornado rips through Kansas, Dorothy (Judy Garland) and her dog, Toto, are whisked away in their house to the magical land of Oz. They follow the Yellow Brick Road toward the Emerald City to meet the Wizard, and en route they meet a Scarecrow that needs a brain, a Tin Man missing a heart, and a Cowardly Lion who wants courage. Join KidStage on the Yellow Brick Road and be part of one of the greatest stories ever told! Showcase time TBD.

## PRESCHOOL LEARNING

### LITTLE LEARNERS

Are you looking to help your child take that jump towards independence? Little Learners includes developmentally appropriate activities to give your child the skills they need to start kindergarten. We will explore art, music, movement and games while learning to use good social skills and manners. Age appropriate kindergarten fundamentals including letters, numbers, shapes and colors are introduced each week.

**Guidelines** – Parents may leave the premises during class. All children must be toilet trained and use the bathroom independently and must be 3½ years old by the first day of class.

**LITTLE LEARNERS GET TO KNOW YOU** – The first day of the session will be devoted to getting to know the children and familiarizing them with their learning surroundings. Parents are more than welcome to stay and meet the teachers, learn about the room's learning stations, expectations and what your child will be learning.

### TEACHER & ME

Children explore their first preschool class independently! Participants will make projects, sing songs, hear stories and play with friends in an active learning environment. This is a great opportunity for young children to begin practicing introductory school skills on their own. Children must be able to separate from their parent/caregiver during class. Parent/caregiver needs to remain at the studios and be available during class time.

## DANCE & TUMBLING CLASSES

**Tap-Ballet-Jazz** – These are introductory classes to learn the beginning movements and terminology of dance. Students are welcomed into the world of dance by experienced teachers and are encouraged to learn while having fun. Instruction includes progressions, center work and learning a dance featuring rhythm and movement to a variety of music. Attire: leotard or tank top with tights or jazz pants, favorite tutus accepted! Ballet slippers (optional) and tap shoes.

**Tumbling** – Your child will develop muscle control, coordination, balance, strength, flexibility and poise while learning basic tumbling moves and having fun! Attire: comfortable clothes and bare feet.

# MINDFULNESS

## MINDFULNESS WITH JOY JORDAN

Our current culture of busyness, distraction, and urgency leaves us feeling hollow and uneasy—like we're constantly "on our way" someplace else. Though this mode isn't sustainable, there is another path: mindfulness. Mindfulness is being in the present moment in an open, non-judgemental way. When we're mindful, we listen, notice, focus, and create. More importantly, *we're present in our own lives.*

**Mindfulness 101:** This 5-week course includes formal instruction on meditation, current research on mindfulness, methods of cultivating positive experience, paths to active listening, and suggestions for informal practice. The elongated time-frame lets students fully engage with mindfulness and form new habits. Because the practices accumulate, regular attendance is important.

**Mindfulness 201:** When people practice mindfulness, it awakens their inner wisdom and awareness. Yet it's easy to stop practicing—we often resist the very habits that bring us ease and healing. This second 5-week course re-establishes practices of communication. (\*The course is reserved for people who've taken Mindfulness 101.)

*About the teacher:* Joy Jordan is a teacher and student of mindfulness. She left her 20-year academic career, not knowing what was next. Now she lives, teaches, writes, and photographs through the lens of mindfulness.

**LOCATION:** Scheig Center, 1313 E. Witzke Blvd.

## LEARN TO SWIM CLASSES

### Parent/Child Aquatics

This program builds swimming readiness by emphasizing fun in the water for children ages 6 months to 5 years. Parents and children participate in several guided practice sessions that help children learn elementary skills.

### Preschool Beginners

For children ages 3 to 4 years old that are ready for learning basic water skills on their own without the aid of their parents. Child must be three years of age by the first day of lessons. **LOCATION:** East and West Pools

### Kindergarten Intermediate

This class is for children ages 4 to 5 who have already taken the preschool beginners class and are ready to further develop their swimming skills. This class is also geared for 5 year old children who have no previous swim lesson experience and are not quite ready for the Level 1 class. Child **MUST** be at least 4 years old by the first day of lessons. By passing this class, children ages 4-5 will be eligible to advance to Level 1. **LOCATION:** East and West Pools

### Level 1: Introduction to Water Skills

**Purpose: Help students feel comfortable in the water.**

Students will learn basic water safety rules, how to use life jackets, submerging their mouth, nose and eyes, opening their eyes underwater and picking up submerged objects, swimming on front and back using arm and leg actions, bobbing, recognizing a swimmer in distress and getting help, exhaling underwater, and floating on front and back.

**PREREQUISITE:** Students should be at least 6 years old or have taken and passed Kindergarten Intermediate.

### Level 2: Fundamental Aquatic Skills

**Purpose: Give students success with fundamental skills.**

In this level, students will be able to move in the water while wearing a life jacket, submerge their entire head, front and back glide, tread water using arm and leg motions, recognize a swimmer in distress and getting help, back crawl, bobbing in water, jellyfish float, and swimming using combined stroke on front and back.

### Level 3: Stroke Development

**Purpose: Build on the skills in Level 2 by providing additional guided practice.**

In Level 3, students will work on reaching assists, submerging and retrieving an object, front and back glide, front and back crawl, introduction to elementary backstroke, kneeling or standing dives (shallow dive progressions), rotary breathing in horizontal position, survival float, back float, butterfly-kick and body motion.

### Level 4a: Stroke Improvement

**Purpose: Develop confidence in the strokes learned and improve other aquatic skills.**

Level 4a provides students with safe diving rules, diving from stride position or shallow dive, survival float, elementary backstroke, breaststroke kick, feet-first surface dive, treading water, and front and back crawl.

### Level 4b: Stroke Improvement II

**Purpose: Refine and improve strokes learned in 4a while building swimming endurance.**

Level 4b will help students improve on skills learned in level 4a while building swimming endurance needed for Level 5. Students will be required to perform front and back crawl, elementary backstroke, introduction to breaststroke arms, introduction to the butterfly, treading water, introduction to sidestroke, and various safety skills.

### Level 5 & 6: Stroke Refinement (Combined with Level 6 Class)

**Purpose: Provide further coordination and refinement of strokes.**

After completion of this class, students will know how to use survival swimming techniques, standing dive (diving progression), open turns on front and back, front and back crawl, performing rescue breathing, tuck surface dive and pike surface dive, front flip turn and backstroke flip turn, elementary backstroke, butterfly, breaststroke, and the side-stroke.

### Level 5 & 6: Swimming and Skill Proficiency (Combined with Level 5 Class)

**Purpose: Refines the strokes so students can use them with ease, efficiency, power and smoothness over great distances.**

Students will learn how to take their heart rates as well as using swimming as a lifelong physical fitness activity, endurance training.

# Follow these dates for Class Registration!!

Resident registration begins (online)	Saturday, October 1, 2016
Resident registration begins (mail & in-person)	Wednesday, October 12, 2016
Non-resident registration begins (online)	Saturday, October 15, 2016
Non-resident registration begins (mail & in-person)	Wednesday, October 19, 2016

A resident is any person who lives within the corporate city limits of Appleton. City and school district boundaries are not the same. Appleton property owners who reside outside the city limits are considered non-residents. Appleton mailing addresses do not automatically mean that you are a city resident. Please bring proof of residency if you do not own your home and are a renter.

**REGISTRATION DEADLINES:** Online and walk-in registration deadlines are 1 week prior to the first day of class by 4:00 p.m. Mail-in registration must be postmarked one week prior to first day of class. **Youth sports and swim lesson deadlines vary**, please see descriptions in the City Guide for individual registration dates. Registration will be accepted after the deadline if there are openings in the class, with the exception of swim lessons and youth sports leagues. However, do not wait to register as classes and programs may be canceled due to low enrollment on the deadline date.

**SWIM LESSON REGISTRATION DEADLINES:** Register for all of your sessions now. Registration will be accepted at the office until 3 days prior to lesson start date. See page 29 for swim lesson details.

**Recreation Fee Waiver Policy:** Funding is available for residents who are unable to participate in Appleton Parks & Recreation programs for financial reasons. To obtain a Fee Waiver form, please call 920-832-5905.

The cities of Appleton, Menasha & Neenah have entered into a reciprocal agreement allowing participants of each city to register as a resident in each other's parks and recreation programs.

## 3 Simple Ways to Register...

### 1. ONLINE REGISTRATION

To use online registration you must be registered as a household so create an account online.

Master Card and Visa are the accepted forms of payment for online registration. **BROWSE THE CLASSES.** Online registration will not open until Saturday, October 1. However, you can browse the classes prior to October 1.

Simply sign in as a "Guest."

#### Questions?

Call 920-832-5905 for assistance.

The City of Appleton does not provide any accident insurance coverage for participants. Parks and Recreation Department activities are undertaken at the participant's own risk and participation is subject to Wisconsin State Statute Section 895.52.

### 2. WALK-IN OR DROP-OFF REGISTRATION

### REFUND POLICY

Refunds are granted when requested prior to the third class meeting. Refunds will be either a full credit to your household account or by check (subject to a \$10 processing fee per person and program). Refunds of \$5 or less will be credited to your account. Refunds are not granted for coupons or swim passes. If a class is full, the payment received will be credited to the family account or returned upon request. The credit may be used toward a future registration.

### APRD PROMOTIONAL PHOTOGRAPHY GUIDELINE

For program promotion purposes, photographs/videos may be taken of participants from time to time and used for advertising/promotional purposes only. If you do not wish to have your child photographed or videotaped for promotional purposes, please notify the photographer and/or class instructor.
