

Share your American Culture
while learning about Japan!
with
Kanonji Appleton Partnership
Appleton's Japanese Sister City Organization

Kanonji Appleton Partnership (KAP) is a cultural and educational exchange program between Appleton, WI and Kanonji, Japan. KAP allows Appleton students and adults to travel to Japan, live in the homes of Kanonji families, and participate in Japanese cultural events. In exchange, Kanonji students live in Appleton; thus, the program serves to strengthen and promote better understanding and friendship between the United States and Japan.

How about opening your home and culture to a Japanese student!

We need friendly, outgoing families to host visiting Japanese students for 1 or 2 weeks. This is a great opportunity to learn about Japan while sharing American culture right from your own home. KAP arranges fun events like a Timber Rattlers game and other outings for students and hosts. Make lifelong friendships and memories:
