13. Lodging Marketplace Sales and Room Tax Collections. Expand the applicability of the local room tax so that a municipality may impose the tax on lodging marketplaces and owners of short-term rentals.

Lodging Marketplace Tax Collections. Require a lodging marketplace to register with the Department of Revenue (DOR), on forms prepared by the Department, for a license to collect taxes imposed by the state related to a short-term rental and to collect room taxes imposed by a municipality. Require a lodging marketplace, after applying for and receiving a license, to do all of the following if a short-term rental is rented through the lodging marketplace; (a) collect sales and use taxes from the occupant and forward such amounts to DOR, (b) if the rental property is located in a municipality that imposes a room tax, collect the room tax from the occupant and forward it to the municipality, and (c) notify the owner of the rental property that the lodging marketplace has collected and forwarded to DOR the sales and room taxes described in (a) and (b). Specify that a municipality would not be allowed to impose and collect a room tax from the owner of a short-term rental if the municipality collects the room tax on the residential dwelling from a lodging marketplace. These provisions would first apply to a lodging marketplace that registers with DOR on the effective date of the budget bill.

rented, but the political subdivision may require that the maximum number of allowable rental days within a 365-day period must run consecutively. Require a person who rents the person's residential dwelling to notify the clerk of the political subdivision in writing when the first rental within a 365-day period begins.

Require any person who maintains, manages, or operates a short-term rental, for more than 10 nights each year, to: (a) obtain from the Department of Agriculture, Trade and Consumer Protection a license as a tourist rooming house, as defined in s. 97.01(15k), and (b) obtain from a political subdivision a license for conducting such activities, if a political subdivision enacts an ordinance requiring such a person to obtain a license.

Specify that if a political subdivision has in effect on the effective date of the bill, an ordinance that is inconsistent with this provision, the ordinance would not apply and could not be enforced.
