

City of Appleton – **Resolution #19-R-17**

October 4, 2017

*Submitted by: Alderperson Lobner – District 13*

*Referred to: Safety & Licensing Committee*

WHEREAS several years ago the City of Appleton voted to extend trick or treating hours to 4 to 8 pm on Halloween night,

AND WHEREAS a four-hour window for trick or treating is more than is done in nearly all of Appleton's neighboring communities,

AND WHEREAS it is a good practice to periodically review and consider revisions to longstanding ordinances to ensure they still reflect the will of the common council,

THEREFORE BE IT RESOLVED that the Safety & Licensing Committee shall review and consider revisions to Appleton's practice regarding trick or treating for implementation in 2017 or 2018.
