

PROCLAMATION

WHEREAS, I-CAR's Tech Center has acted as the hub of training innovation for the national collision repair industry for the past 30 years, expanding the knowledge and education of the industry and protecting the safety of consumers; and

WHEREAS, approximately 50 employees, representing subject matter experts, researchers, instructional designers, training experts, OEM technical staff and more, deliver the industry's most relevant and accessible training solutions, ensuring that technicians have the information necessary to make complete, safe and quality repairs; and

WHEREAS, the Tech's Center's expert staff assesses emerging customer and industry needs to identify, develop and deliver the next generation of collision repair training, teaming together to create courses that are customized responses to a critical need, identified through constant engagement with experts from all areas of the Inter-Industry; and

WHEREAS, thousands of hours are invested in research, development and implementation followed by evaluation and field testing, of each and every course, with now more than 200 courses delivered online, live or hands-on;

NOW, THEREFORE, BE IT RESOLVED, THAT I, TIMOTHY M. HANNA, Mayor of the City of Appleton, do hereby proclaim September 25th, 2018 as

I-CAR Tech Center's 30th Anniversary

in Appleton and salute I-CAR for their contributions to the community and to their future.

Signed and sealed this 25th day of September, 2018.

TIMOTHY M. HANNA
MAYOR OF APPLETON
