

Neighborhood Program Spring Meeting

The Neighborhood Program Spring Meeting is intended to be an informal, “roundtable” discussion among representatives from the 18 registered neighborhoods within the City. Whether you are interested in strengthening social bonds, watching out for children and the elderly, keeping the area looking good, pursuing enhancement projects, or other neighborhood initiatives, this meeting will provide an opportunity to ask questions and share experiences. Please be prepared to share a brief update on your recent neighborhood activities.

Highlights include:

- Update on Habitat for Humanity’s “Rock the Block”
- Public health survey, how you can help
- New details on neighborhood grants eligibility
- Peer review, success stories among neighborhoods

An opportunity for people who care about their neighborhoods to exchange ideas and learn from one another.

Participants must reside in a neighborhood registered through the City’s Neighborhood Program (18 already registered). To register your neighborhood, contact Community & Economic Development Dept. at (920) 832-6468. It is helpful, but not required, that you participate with at least one other person from your neighborhood.
