I. PURPOSE

The purpose of this policy is to establish guidelines and assign responsibilities for the media relations function of the City of Appleton.

II. POLICY

To provide timely and accurate information to the media when requesting information concerning business, in accordance with applicable laws, regulations and City policies.

To provide continual internal communications to assure the alderpersons, Mayor’s office and City department spokespersons are appraised of events that will be in the media (prior to release, if possible). Note: Fire, Library, Police and Valley Transit matters will be handled by their respective media personnel. Violations of this policy are subject to discipline, up to and including termination.

III. DEFINITIONS

C. Employee/Volunteer

As a general rule, employees are discouraged from releasing information over the telephone. However, to maintain a good working relationship with the media, sometimes you may need to release limited information via telephone to the media. When doing so, you should follow these guidelines:

- 1) When contacted, immediately obtain the caller's name, news organization and timeliness of his/her request.
- 2) If contacted by the media regarding issues *about the City or your department*, politely decline making comments and refer all questions to the Communications Specialist or your department spokesperson.
- 3) If contacted by the media *regarding your personal opinions*, answer the media's questions (if you wish), but make it clear that these comments are your personal opinions and not made on behalf of the City or because of your role as a City employee.
- 4) Inform the Communications Specialist or your department spokesperson prior to distributing any press releases. Give them a copy of the press release for review and/or approval before release, if time permits.
- 5) Assist Communications Specialist or department spokesperson in compiling information for the media. Forward this information to the Communications Specialist when requested.
- 6) Alert Communications Specialist of any unusual media contacts or incorrect published information about the City as soon as possible (so the error can be corrected).
