

2023 Program Year Community Development Block Grant Annual Action Plan

EXECUTIVE SUMMARY (AP-05) 24 CFR 91.200(c), 91.220(b)

Introduction

The primary goal of the City of Appleton's CDBG program is to "create a thriving urban community through the provision of assistance to low- and moderate-income households in the forms of basic shelter, affordable housing opportunities, expanded economic opportunities, suitable living environments, and supportive services for residential, financial, and social stability." This Annual Action Plan summarizes the goals and strategies that the City of Appleton will follow to achieve the intended outcomes for the 2023 program year (April 1, 2023- March 31, 2024).

Summarize the objectives and outcomes identified in the Plan

The table located in **Annual Goals and Objectives (AP-20)** of this 2023 Annual Action Plan identifies the objectives and outcomes anticipated by the City of Appleton and its subrecipients for the 2023 program year.

A summary of the goals and expected outcomes table from the Strategic Plan section of the 2020-2024 Consolidated Plan is below for reference.

<i>5-Year Goals</i>	<i>5-Year Outcomes</i>
Improve & Maintain Housing Stock	180 Owner-Occupied homes rehabilitated
Homebuyer Assistance	25 First-Time Homebuyers receive down payment assistance
Rental Rehabilitation	35 Rental Units rehabilitated
Acquisition for New Housing	20 New Housing Units
Public Facilities Improvements & Maintenance	1,300 Persons assisted through allocations to community-based agencies for facility improvement & maintenance activities
Neighborhood Revitalization	6,000 Persons assisted through various public facility improvements
Public Services	800 Persons assisted through provision of various public services

Table 1- 2020-2024 Strategic Plan

Evaluation of past performance

Typically, during the CDBG allocation process, the City of Appleton gives preference to projects that 1) are seeking one-time use of CDBG funding; 2) benefit City of Appleton residents in low- to moderate-income census tracts; 3) add housing units to the City's tax base; 4) demonstrate complementary sources of funding; and 5) serve special needs populations. During the 2020 program year, however, much like other communities across the nation, the primary focus of several sources of CDBG funding (including CDBG-CV1, CDBG-CV2, and CDBG-CV3) was to prevent, prepare for, and respond to the impacts of the COVID-19 pandemic. While the entitlement grant for 2022 followed the preferences, CDBG-CV funds and progress made with those funds throughout 2022 were primarily through the provision of public service activities.

Summary of Citizen Participation Process and consultation process

The City of Appleton's Citizen Participation Plan requires that a public hearing [to identify housing and community development needs] be held annually in conjunction with a regularly scheduled Community & Economic Development Committee meeting. This public hearing is relevant to the CDBG competitive application process, and for the 2023 program year was held on November 9, 2022. No comments were received. Notification of this public hearing was published in the City's local newspaper, posted on the City of Appleton's website, and emailed out to community agencies and nonprofit organizations.

The City implements a mandatory, pre-application CDBG training session for all interested community partners. This meeting session is also an opportunity for community partners to provide comment on the needs in the City for the upcoming program year. This meeting was posted virtually on September 6, 2022. Interested non-profit organizations were able to participate in the self-paced virtual platform until Monday, August 31. To be considered eligible for 2023 funding, organizations were required to complete and submit an online questionnaire that demonstrated understanding and knowledge of the content covered during the training. A total of 9 organizations participated and were confirmed eligible.

Summary of public comments

2020-2024 Consolidated Plan

While generating the 2020-2024 Consolidated Plan, the City advertised an internet-based survey (available in English, Hmong, and Spanish), hosted two public hearings to gather input from citizens about future uses of CDBG funds, and welcomed comments during two separate 30-day public comment periods. In addition, City staff conducted one-on-one interviews with representatives of various agencies in the community to identify highest priority needs of the Appleton population. Results of these efforts include:

- 358 responses to the internet-based surveys;
- 22 one-on-one interviews;
- 21 attendees engaged during the public hearings

2023 Annual Action Plan

During both the pre-application session and the scheduled public hearing, the community was presented with opportunities to express value and importance in funding affordable housing, public facility improvements, and public service projects for the 2023 program year. No comments were received.

Summary of comments or views not accepted and the reasons for not accepting them

The City of Appleton accepted all comments provided during the public engagement process.

Summary

The City of Appleton’s 2020-2024 Consolidated Plan was prepared as a guide for the expenditure of CDBG funds based on input from citizens and community agencies regarding the needs of the community and use of funds; an assessment of needs in the community related to housing and community development; and an analysis of the area’s market.

The 2020-2024 Consolidated Plan provides a framework and a path for furthering affordable housing and community development efforts including increasing homeownership opportunities, preserving existing housing, revitalizing neighborhoods, expanding affordable rental options, furthering efforts to reach a functional zero for homelessness, supporting job training, expanding small business technical assistance, improving infrastructure in low to moderate income neighborhoods and renovating or expanding community and neighborhood facilities. The awarded subgrantees of the 2023 CDBG funds intend to administer activities that promote affordable housing opportunities, public service programming for the area’s at-risk and homeless population, and public facility improvements for a local substance abuse treatment program.

CONSULTATION (AP-10) *91.100, 91.200(b), 91.215(l)*

Introduction

The 2020-2024 Consolidated Plan development was achieved utilizing online surveys, conducting various interviews, and holding multiple public hearings. The City of Appleton consulted with several agencies,

as well as sources from the private market, to obtain a thorough understanding of the community's needs.

On a scale of 1 to 5, with 1 being the least important and 5 being the most important, respondents ranked the importance of funding eligible activities as follows:

Housing

- 33 % ranked senior housing rehabilitation as most important (5)
- 36 % ranked homeowner accessibility improvements as most important (4)
- 75 % stated that the need for senior housing rehabilitation will need to increase over the next 5 years

Public Services

- 60 % indicated that funding homeless prevention programs was most important (5)
- 57 % indicated that funding domestic abuse programs was most important (5)
- 72 % stated that the need for homeless prevention services will need to increase over the next 5 years

Neighborhoods

- 47 % ranked neighborhood improvements as most important (5)
- 38 % ranked improvement of public spaces as most important (5)
- 68 % stated that the need for neighborhood improvements will need to increase over the next 5 years

Of the three general activity categories- Housing, Public Services and Community Development- most respondents ranked Housing as the highest priority need, followed by Public Services and Community Development. These rankings were affirmed by representatives during the 22 organization interviews.

Provide a concise summary of the jurisdiction's activities to enhance coordination between public and assisted housing providers and private and governmental health, mental health and service agencies (91.215(I))

The City of Appleton enhances coordination between public and private service providers and agencies through a variety of activities. City staff are invested in several roles with numerous agencies in the community that address housing, health, mental health, and other services, including but not limited to at-large members, board members, consultants, and sponsors.

A complete list of agencies and service providers that the City of Appleton has partnered with in an effort to increase and improve the quality of housing and services can be found in Appendix B of this Plan.

Describe coordination with the Continuum of Care and efforts to address the needs of homeless persons (particularly chronically homeless individuals and families, families with children, veterans, and unaccompanied youth) and persons at risk of homelessness.

The City of Appleton serves as the Lead Agency in the Wisconsin Balance of State Continuum of Care membership, as well as in the Continuum of Care (CoC) and Emergency Homeless and Housing (EHH) grant application processes. City of Appleton staff administer grant funding for several agencies under three CoC Rapid Re-Housing programs and an EHH grant.

Agencies funded through the CoC and EHH grants directly serve the homeless population and provide supportive service programming. City of Appleton staff work collaboratively together with these agencies- and all agencies in the Fox Cities Housing Coalition - to address the needs of the homeless population in the City of Appleton and surrounding community.

Describe consultation with the Continuum(s) of Care that serves the jurisdiction's area in determining how to allocate EHH funds, develop performance standards for and evaluate outcomes of projects and activities assisted by EHH funds, and develop funding, policies and procedures for the operation and administration of HMIS

As the Lead Agency for the Continuum of Care (CoC) and Emergency Solutions Grant (ESG) funding, the City of Appleton collaborates and consults with partnering community organizations during the allocation of funds, the development of performance standards and evaluation of outcomes, and development of funding policies and procedures associated with the Homeless Management Information System (HMIS). Consultation is conducted during one-on-one meetings with community organizations, during Wisconsin Balance of State Continuum of Care meetings, and during Fox Cities Housing Coalition meetings.

Summary of citizen participation process/Efforts made to broaden citizen participation

Summarize citizen participation process and how it impacted goal-setting

Citizens are encouraged to participate in formal public hearings and 30-day public comment periods, all of which occur prior to the adoption of every five-year Consolidated Plan. Further efforts to gain citizen participation are illustrated specifically in the 2020-2024 Consolidated Plan.

Annually citizens are encouraged to participate in formal public hearings, specific to CDBG funding, to assist in determining and prioritizing community needs. These public hearings are held during the initial stages of the application process. In recent years, the City has implemented a mandatory, pre-application CDBG training session for all interested community partners. This meeting session is also an opportunity for community partners to provide comment on the needs in the City for the upcoming program year.

EXPECTED RESOURCES (AP-15) *91.220(c) (1, 2)*

Introduction

The City of Appleton's CDBG Annual Action Plan includes a budget, which encompasses revenue from federal, state, and private agencies and will be used by many agencies in the community to address the priority needs identified throughout the Plan. The only funds, however, over which the City of Appleton maintains control in reference to this Plan are funds through the Community Development Block Grant (CDBG) program.

Priority Table

Program	Source of Funds	Uses of Funds	Expected Amount Available Year 3				Expected Amount Available Remainder of Con Plan	Narrative Description
			Annual Allocation: \$	Program Income: \$	Prior Year Resources: \$	Total: \$		
CDBG	public - federal	Acquisition Admin & Planning Economic Development Housing Public Improvements Public Services	\$573,200	\$417,346	\$0	\$990,546	\$1,136,479	Program income is generated specifically from the City of Appleton's Homeowner Rehabilitation Loan Program.

Table 6 - Expected Resources – Priority Table

Explain how federal funds will leverage those additional resources (private, state and local funds), including a description of how matching requirements will be satisfied

The City of Appleton will leverage all dollars received through the CDBG program by funding activities that, overall, are only a portion of the valuable services that the awarded agencies provide to low- and moderate-income households throughout the City of Appleton.

There are no matching requirements associated with CDBG funding; however, higher consideration was given to applications that could demonstrate additional sources of funding to leverage projects.

If appropriate, describe publicly owned land or property located within the jurisdiction that may be used to address the needs identified in the plan

The City of Appleton does not anticipate any qualified, participating agency to use any publicly owned land or property while addressing the needs identified throughout this plan.

Discussion

Community Development Block Grant (CDBG) funding was awarded to programs that will perform the following activities during the 2023 program year: homebuyer assistance programs, homeowner rehabilitation programs, public service programs, public facility improvement programs, fair housing initiatives, and CDBG administration costs.

PROJECTS (AP-35) 91.220(d)

Introduction

During the CDBG competitive application process, the City of Appleton prioritized needs and strategically allocated funding to achieve the most community impact. The proposed use of CDBG-allocated funds in the 2023-2024PY will focus on activities that:

- improve and maintain current housing stock
- create accessibility to homeownership for first-time homebuyers
- provide shelter and services to persons fleeing domestic violence
- fund costs associated with administering various programs and activities
- provide financial assistance to prevent homelessness

PROJECTS SUMMARY (AP-38)

Describe the reasons for allocation priorities and any obstacles to addressing underserved needs

The City of Appleton CDBG Advisory Board determined that allocation priority would focus on activities that improve on or increase the current affordable housing stock. All activities funded support the City of Appleton's CDBG program goal of *"creating a thriving urban community through the provision of assistance to low- and moderate-income households in the forms of basic shelter, affordable housing opportunities, expanded economic opportunities, suitable living environments and supportive services related to residential, financial, and social stability."*

GEOGRAPHIC DISTRIBUTION (AP-50) 91.220(f)

Description of the geographic areas of the entitlement (including areas of low-income and minority concentration) where assistance will be directed

The City of Appleton will not have a designated geographic area within the jurisdiction where funds are allocated. However, activities benefitting persons, facilities, or housing within the census block groups

that HUD has designated as meeting the 51 percent LMI threshold will be given priority.

Rationale for the priorities for allocating investments geographically

The City of Appleton will not have a designated geographic area within the jurisdiction where funds are allocated. However, activities benefitting persons, facilities, or housing within the census block groups that HUD has designated as meeting the 51 percent LMI threshold will be given priority.

Discussion

The City of Appleton will not have a designated geographic area within the jurisdiction where funds are allocated. However, activities benefitting persons, facilities, or housing within the census block groups that HUD has designated as meeting the 51 percent LMI threshold will be given priority.

AFFORDABLE HOUSING (AP-55) 91.220(g)

Introduction

The City of Appleton invests federal funds into the development of rental and homeownership units and the rehabilitation and repair of existing homeowner units. This section shows specific goals for the number of homeless, non-homeless and special needs households that will be provided affordable housing during the 2023 program year. Also shown are the number of affordable housing units that will receive CDBG funding. Programs that will provide these units through the CDBG program are: the City of Appleton's Homeowner Rehabilitation Loan Program, Greater Fox Cities Habitat for Humanity, and Rebuilding Together Fox Valley.

PUBLIC HOUSING (AP-60) 91.220(h)

Table 121 – One-Year Goals for Affordable Housing by Support Type

Introduction

The Appleton Housing Authority's mission is "to provide decent, safe, and quality housing for individuals and families that need rent affordability along with opportunities and programming for participants

desiring to become self-sufficient." The City of Appleton will provide funding to support the Appleton Housing Authority's Homebuyer Program, which aids with downpayments and needed repairs or upgrades for the homes that are purchased, as well as counseling services for first-time homebuyers.

Actions planned during the next year to address the needs to public housing

While the City of Appleton did not receive an application for CDBG funding from the Appleton Housing Authority for FY2023, previous CDBG funds have been allocated in support of the Appleton Housing Authority's Homebuyer Program, which includes downpayment assistance, rehabilitation financial assistance, and counseling services.

Actions to encourage public housing residents to become more involved in management and participate in homeownership

By supporting the Appleton Housing Authority's Homebuyer Program in the past, public housing residents can learn about homeownership through homebuyer education classes. Completing these classes initiates the process of becoming a first-time homebuyer and receiving financial assistance for downpayments or needed repairs on their newly purchased home.

If the PHA is designated as troubled, describe the manner in which financial assistance will be provided or other assistance

The Appleton Housing Authority is not designated as troubled.

Discussion

Overall, the Housing Authority has previously been awarded CDBG funding to support its Homebuyer Program only. The Homebuyer Program is an acquisition/rehabilitation program that promotes affordable housing and financial assistance to low- and moderate-income households, while revitalizing neighborhoods.

HOMELESS & OTHER SPECIAL NEEDS ACTIVITIES (AP-65) 91.220(i)

Introduction

The City of Appleton awarded 2023 program year CDBG funding to several agencies that impact and support the needs of the homeless and special needs populations in the community.

The definition of the special need's population in the City of Appleton was derived after consulting with several nonprofit, supportive service providing agencies in the Appleton area. The most prevalent, but certainly not exclusive, characteristics of the population were:

- Persons affected by mental health issues;
- Persons with alcohol and drug addictions; and
- Elderly in need of supportive services for health and housing issues

Describe the jurisdictions one-year goals and actions for reducing and ending homelessness including:

Reaching out to homeless persons (especially unsheltered persons) and assessing their individual needs

The City of Appleton continues to be an active member of the local Fox Cities Housing Coalition (FCHC), serving as the lead agency and fiscal administrator for Continuum of Care (CoC) and Emergency Homeless and Housing (EHH) grant funding into the community. While 2023 program year CDBG funding will be supporting LEAVEN, Inc., Pillars, Inc. and Salvation Army of the Fox Cities, both CoC and EHH funds significantly support other agencies and their efforts to serve the homeless population in the community.

During the January 2023 Point in Time count, the Fox Cities, including the City of Appleton, identified 21 persons experiencing homelessness. The City of Appleton, in collaboration with the community, will continue to strive to serve these individuals, and others as necessary, by continuing to reach out to them and encourage them to utilize available resources in the community.

Addressing the emergency shelter and transitional housing needs of homeless persons

The Appleton Housing Authority, Pillars, Inc. and Salvation Army of the Fox Cities collaborate to provide transitional housing options and supportive services through a Tenant Based Rental Assistance (TBRA) program. This program serves approximately 40 households annually.

Pillars Inc. and Harbor House have continued to collaborate and provide six transitional housing beds and supportive services specifically for domestic violence victims transitioning out of shelter. On average, eight households are served each year through this initiative.

Ascend, a Pillars initiative in collaboration with NAMI Fox Valley, serves young adults [aged 18-24] with a mental health challenge navigate their transition from adolescence to an adulthood of self-sufficiency and stability.

Emergency shelter needs will continue to be addressed through Emergency Homeless and Housing (EHH) grant and will continue to change and expand based on the needs in the community. Under the Wisconsin Balance of State Continuum of Care's (WIBOSCOC) coordinated entry process, access to services and programming- initiated at the shelter level- has proven efficient and client-driven.

Helping homeless persons (especially chronically homeless individuals and families, families with children, veterans and their families, and unaccompanied youth) make the transition to permanent housing and independent living, including shortening the period of time that individuals and families experience homelessness, facilitating access for homeless individuals and families to affordable housing units, and preventing individuals and families who were recently homeless from becoming homeless again

The City of Appleton will continue to use CDBG funds to support agencies in the community proposing to provide public service activities that assist homeless persons by providing temporary shelter and accessibility to services that lead to permanent housing solutions. Specifically, for the 2023 program year, the City awarded funding to:

LEAVEN, Inc., who offers an Emergency Assistance Program which provides rental and utility assistance to families and individuals on the verge of homelessness, as well as Pillars, Inc. and Salvation Army of the Fox Cities, who provide prevention programs that also provides similar rental assistance and case management to families and individuals on the verge of homelessness.

Boys & Girls Club of the Fox Valley will operate a street outreach position to specifically serve those 18-25 experiencing homelessness.

The City of Appleton also awarded 2023 program year funding to agencies- including the City of Appleton's Homeowner Rehabilitation Loan Program, Greater Fox Cities Habitat for Humanity, and Rebuilding Together Fox Valley - proposing rehabilitative housing activities to maintain affordable housing units and educational skill building as an effort to provide additional affordable housing options and prevent homelessness.

Helping low-income individuals and families avoid becoming homeless, especially extremely low-income individuals and families and those who are: being discharged from publicly funded institutions and systems of care (such as health care facilities, mental health facilities, foster care and other youth facilities, and corrections programs and institutions); or, receiving assistance from public or private agencies that address housing, health, social services, employment, education, or youth needs.

LEAVEN, Inc. helps ensure that individuals have their most basic needs met. Financial assistance is provided to those who have no other resources to draw from and is intended to help stabilize households, preventing them from slipping into greater poverty and homelessness. LEAVEN's Emergency Rental Assistance program provides rental assistance to low- and moderate-income individuals and families residing in the City of Appleton in efforts to cancel evictions, secure affordable housing, and forestall foreclosure actions.

Rebuilding Together Fox Valley's core mission is to improve the homes and lives of low-income homeowners, allowing them to remain safe and healthy in their home. Not only are the homeowners able to age in place, but they are able to sustain affordable housing.

The City of Appleton's role as the lead financial agent for CoC and EHH funds facilitates and encourages Fox Cities Housing Coalition member-agencies to provide services to extremely low-income persons and assist them with services needed as they navigate through the systems of care in the area.

BARRIERS TO AFFORDABLE HOUSING (AP-75) 91.220(j)

Introduction

The City of Appleton, through a collaboration with the Metropolitan Milwaukee Fair Housing Council (MMFHC), updated the Analysis of Impediments to Fair Housing Choice report. The 2020 Analysis identifies barriers to equal housing access based on quantitative data contained in various sections of the report, and based on qualitative information gleaned from community input. The impediments identified [below] are not listed in order of priority.

1. Private-market housing discrimination;
2. Affordable housing location;
3. Lack of affordable, accessible housing;
4. Private-market refusal to permit reasonable accommodations/modifications;
5. Lending discrimination and disparities; and
6. Critical shortage of affordable rental housing and limited housing assistance.

The 2020 Analysis of Impediments *Fair Housing Goals and Strategies* section identifies goals and strategies designed to redress impediments to fair housing. Each goal has a number of strategies to make progress toward the goal. Each strategy contains a timeframe for action, a measure of achievement, and the entity at each municipality that is responsible for implementing the strategies.

Goal 1: Continue efforts to ensure adequate supply of housing affordable to all income levels in the community;

Goal 2: Increase fair housing choice and decrease housing discrimination;

Goal 3: Continue funding the City of Appleton’s Neighborhood Program to encourage the establishment and support of neighborhood organizations; and

Goal 4: Increase access to consumer education in a culturally appropriate context.

Actions it planned to remove or ameliorate the negative effects of public policies that serve as barriers to affordable housing such as land use controls, tax policies affecting land, zoning ordinances, building codes, fees and charges, growth limitations, and policies affecting the return on residential investment

Under *Goal 1: Continue efforts to ensure adequate supply of housing affordable to all income levels in the community*, listed above, the City of Appleton has identified eight strategies to make progress toward removing or ameliorating the barriers to affordable housing. Strategies specific to the removal or amelioration of the negative effects of public policy that serve as barriers include [in no particular order]:

Strategy 1- Support a variety of housing programs to defray the costs of rental housing or homeownership, marrying financial tools such as historic preservation, DNR grants, and opportunity zones;

Strategy 2- Promote and support private sector investment in affordable housing through TIF financing, LIHTC projects, and other state/federal financial resources; and

Strategy 3- Consider utilizing Central Business District (CBD) zoning in other areas of the City to promote denser in-fill and housing development.

Discussion

The City of Appleton is currently under contract with the Metropolitan Milwaukee Fair Housing Council to update the Analysis of Impediments, in conjunction with the 2020-2024 Consolidated Plan. It is anticipated that updated amelioration efforts will be proposed upon implementation of the updated Consolidated Plan.

OTHER ACTIONS (AP-85) 91.220(k)

Introduction

The City of Appleton’s 2020-2024 Consolidated Plan outlines various strategies addressing obstacles in

meeting underserved needs, fostering and maintaining affordable housing, reducing lead-based paint hazards, reducing poverty, improving institutional structure, and enhancing coordination between housing and social service agencies.

Actions planned to address obstacles to meeting underserved needs

The Fox Cities Housing Coalition (FCHC), of which the City of Appleton is a member agency, is designed to promote community-wide commitment to the goal of ending homelessness; provide programming and housing for underserved and homeless individuals and families; promote access to and effect utilization of mainstream programs; and optimize self-sufficiency among underserved and homeless individuals and families. This continuum begins with emergency shelter programs, continues through transitional housing programs, and on to permanent affordable housing options. Nearly all of the 2023 program year funds are subawarded to agencies that are FCHC members, and operate programs that address underserved needs.

Maintain affordable housing

The City of Appleton has primarily used its CDBG funds to support affordable housing activities in various ways for homeowners and first-time homebuyers. The City will continue to fund similar efforts in the 2023 program year through subawards to Rebuilding Together Fox Valley, Greater Fox Cities Habitat for Humanity, and the City's Homeowner Rehabilitation Loan Program.

Actions planned to reduce lead-based paint hazards

The City of Appleton continues to allocate CDBG funds each program year supporting its Homeowner Rehabilitation Loan Program, which provides low- and moderate-income homeowners with the financial ability to make repairs to their homes. A requirement for participation in this program is that items not meeting code and all lead paint hazards be rehabilitated as part of the loan funding.

The City also has supported the Appleton Housing Authority's Homebuyer Program, which will include rehabilitation. Lead hazards are identified and remediated during the rehabilitation process.

In addition, the City of Appleton Health Department and the City's Homeowner Rehabilitation Loan Program work collaboratively to identify homes where young children may be adversely affected in the dangers of lead-based paint and removal of those hazards.

Actions planned to reduce the number of poverty-level families

In an effort to reduce the number of poverty-level families, the City of Appleton awarded 2023 program year funds to a domestic violence emergency shelter, a substance abuse treatment facility, and a rental assistance program for individuals on the brink of homelessness. These programs and projects directly serve individuals and families that are facing financially challenging situations. The services offered and the constant collaboration among agencies provide the necessary direction and opportunities toward achieving financial independence and stable housing, while also decreasing the likelihood of homelessness.

The City of Appleton continues to provide funding to the City's Homeowner Rehabilitation Loan Program, Habitat for Humanity, and Rebuilding Together Fox Valley in an effort to rehabilitate and maintain affordable housing opportunities in the Appleton community.

Actions planned to develop institutional structure

The institutional structure through which the City of Appleton carries out its plans is strong due to framework already in place, and as such, does not have any specific actions planned to modify it.

The City is the financial agent for the Continuum of Care (CoC) and Emergency Homeless and Housing (EHH) grants, and an active member, of the Fox Cities Housing Coalition. The Appleton Housing Authority has received CDBG allocation for its Homebuyer Program and coordinates with the Health Department to provide services to its senior population. These relationships allow for a high level of interaction resulting in coordination of services between the city and agencies that may be supported by CDBG funding.

Actions planned to enhance coordination between public and private housing and social service agencies

While there does not appear to be a gap in the structure, the City of Appleton continuously works to further enhance coordination of services between nonprofit organizations and public institutions. The City of Appleton is an actively participating member of the Fox Cities Housing Coalition, a local continuum of services. All member agencies of the Coalition actively seek to enhance coordination and collaboration between services and agencies, and reduce any level of duplication.
