Whereas the Appleton Police Department completed a test trial of 29 Flock license plate reader cameras in 2023; and

Whereas the police department was able to negotiate a contract and fund 19 cameras through the 2024 budget; and

Whereas under the initial contract price negotiated with the provider, the Flock cameras cost \$2,500 per camera with a price increase in 2024 to \$3,000 per camera.

Now Therefore Be It Resolved that the Appleton Common Council directs the reallocation of \$25,000 in American Rescue Plan Act funds to the police department to fully fund the purchase of an additional 10 Flock cameras under the original contract price of \$2,500 per camera, to provide this important tool to the police department to assist in investigating and solving crimes more efficiently and effectively.
